

Construction of upgrades and improvements to Buena Borough Municipal Utilities Authority, Buena Borough, \$1,453,449.00 were financed by the New Jersey Water Bank (NJWB). The NJWB is a State Revolving Fund program jointly administered by the New Jersey Department of Environmental Protection (DEP) and the New Jersey Infrastructure Bank (NJIB) and uses a combination of funds provided by the United States Environmental Protection Agency, the DEP, and the NJIB to provide very low interest loans to borrowers for environmental infrastructure projects.

This project will provide water quality benefits by maintaining existing wastewater collection and treatment equipment for residents and businesses in Buena Borough Municipal Utilities Authorities' sewer service area, Atlantic County, New Jersey.

State Revolving Fund programs around the nation provide states and communities the resources necessary to maintain and improve the infrastructure protecting our valuable water resources nationwide.
